**Business Casual Men**  
Personal style should never be underestimated, and our workwear clothing is certainly no exception. Choosing between an office people and not just as workers. It is only natural for gentlemen to want to wear office attire right, no matter the degree of formality.

The dress code shouldn't be confused, but rather combined for its mix of formal and casual wear.

**IT'S ALL BUSINESS**

**STYLE GUIDE FOR THE BUSINESS MAN**  
Business casual is a style that is not too formal and not too casual. It is a mix of formal and casual wear. It is a style that is not too formal and not too casual. It is a mix of formal and casual wear.
